Our meal fees are rolled into your child's tuition. All meals are included, and we will continue to work with dietary restrictions to the best of our ability. Disposable diapers and wipes will also be provided as well as diaper ointment, sunscreen, and bug spray unless families provide their own or give different instructions.

Aside from extenuating circumstances we will not be offering extended care beyond our regular hours. Punctual pickups are greatly appreciated. Late pickup may be charged an additional \$30 an hour. Due to our very full schedule it is unlikely that we will be able to offer 'make-up days'. We will continue to follow BVSD for weather related school closures, which will be either refunded or added onto the end of the school year once we've exceeded three days. We will also continue to follow the BVSD calendar for holidays and vacations. **Please see our updated School Calendar for details.**
